INVITATION TO JOIN

Seven great reasons for joining the Fell Club

Newsletter

Four times a year you will receive the Fell Club newsletter. It contains:

- Members letters
- Equipment ideas and unbiased reviews
- Members travel stories
- Reports of Fell Club meets
- Newsworthy items that may be of interest to members
- Members free advertisements

Regular meets

These are held throughout the year in many different parts of the country. Some maybe local to you but those that are not may afford an opportunity for you see new places and join in new events. With an informal and friendly atmosphere you get to meet new people and share stories with other members.

Often our meets will be in collaboration with other events, such as; York Rally, Mildenhall Cycle Rally, Benson Veteran Cycle Rally and the Welsh Cycle Festival.

Low cost fee

At all times the Fell Club considers it's members and strives to keep costs to a minimum. Our low memberships fee is a result of volunteer staff and prudent administration.

Low cost life membership available after ten years. Also should you wish to purchase regalia items, these are priced so as to be very affordable

Environmentally friendly

The Fell Club was founded in 1969 as a direct descendant of an earlier club founded in 1902 by people who love lightweight camping. It has a strict no private motor vehicle policy for members attending organised events. You can be sure at meets, all have travelled under their own steam. For members traveling long distances to meets, part of the journey can be by public transport. Most of the members use bicycles as transport, with their equipment on the bike. Others choose to walk or canoe, carrying their camping gear.

Campsite List

Available only to members, the campsite list has many sites personally recommended by members. The list contains some private sites which are for Fell Club members only

Internet Web Site

A new undertaking for the Fell Club, the website gives up to date information on Fell Club activities through the members notice board and meetings list. Members are also encouraged to forward their own Fell Club related photographs to be displayed on the album pages of the site.

Friendly Members

Wearing a club badge or displaying a pennon is one sure way to attract other Fell Club members. New members often remark about the warmth and friendliness they are shown when meeting other club members. This camaraderie will extend to you when you join the Fell Club.
